Health & Wellness Subcommittee Report – Derek Otsuji

The Committee is promoting the Health & Wellness Charter. The Spring and Summer activities included demonstrations on preparing Kale and Borscht soups.

Emergency Planning Subcommittee Report – Lorri Taniguchi

Drills: Color coded signs will be enacted to designate the evacuation area to parking lots.

Brian Furuto

Bldg. 7 renovation is on schedule and will end this fall semester. The main entrance to the Library is in the back.

Modulars (32 modulars, 2 bldgs., 16 modulars/bldg.) will be built on 8/28/12 in the Incinerator Lot, diamond head, makai corner of lot. There will be a loss of 120-150 parking stalls.

There will be a new security contract with a new firm starting in November and the cost will be higher.
Projects: Bldg. 6 & 27 – Repainting
        Bldg. 4 – Boiler & Bathrooms
        Bldgs. 5, 27 & 14 – Network Wiring
        Bldg. 50 – New Flooring

Code Blues are in working order.

Early this Fall Semester, there will be an Emergency Management exercise. The organizational structure will be revised from Chancellor to Vice Chancellor of Administrative Services.

Guest Speaker – Mark Behrens, CSP, Safety & Security Specialist, DOE

Presentation of Emergency Planning.
