SPRING 2014
END OF YEAR COMMITTEE REPORT:
TECH 1 - DIVISION CURRICULUM COMMITTEE

Convener: Derek Oshiro

Chair: Derek Oshiro

Committee Members: Danny Aiu, George Boeman, Douglas Madden, Warren Takata, Bert Shimabukuro, Mike Barros/Keala Chock

The Tech 1 DCC had its first meeting on Friday Sept. 6, 2013 and chose convener Derek Oshiro to chair the committee and Bert Shimabukuro to record and advise. The committee met on the first Friday of every month from Sept. 6, 2013 until December 6, 2013 and a special meeting on January 17, 2014 to go over last minute submissions.

Due to the many changes going on in the general education requirements, this committee had LOTS OF WORK to do. We typically had 20 to 40 changes and modifications to review and approve at each meeting. Between Tech 1 Div. Chair Bert Shimabukuro, Tech 1 Dean Keala Chock and Counselor Frank Fenlon, as resource persons, Tech 1 DCC was in good hands and we accomplished a lot. Diane Caulfield and Norman Takaya also provided background and information when programs changes/modifications needed to be elaborated on to the committee. Committee members also provided information when their respective program folders came before the committee. All in all, a very productive assignment.

After the January meeting, the Tech 1 DCC is “on vacation” until Fall 2014.

Tech 1 Division Curriculum Committee
