LECTURESHIP APPOINTMENTS

1. Confirmation of tuberculosis clearance and social security card are mandated by date of hire.

2. Lectureship and overload appointments are contingent upon administrative approval, sufficient enrollment, adequate funds and departmental staff requirements. Your assignment, therefore, is subject to cancellation or reduction in credits. The appointment is temporary, non-renewable, and not applicable to full-time or permanent employment. Lectureship and overload appointments terminate at the end of each semester.

3. Employment Documents: See the appropriate Dean’s Secretary for your lecturer offer letter. You will be given a packet of employment documents. ALL documents must be completed and submitted before appointments can be processed.

4. By the class start date, the Dean (or the Off-Campus Program Coordinator) will determine whether or not your appointment may be processed. If your valid TB clearance certification, Employment Eligibility Verification (Form I-9), photocopy of your social security card and federal and state tax withholding certificates are available at the respective Dean's secretary office, your appointment will be processed no later than the class start date. You should receive a paycheck within six (6) to eight (8) weeks of the date your class starts or approximately six (6) to eight (8) weeks after any change is processed, whichever is later. All other required personnel documents must be submitted within two weeks from date of hire to your Dean’s secretary office. In the event that payment is not received by these times, please notify the Dean and Human Resources (or Off-Campus Program Coordinator) immediately.

5. The duty period of your contract will be according to the teaching schedule assigned to you.

6. For on-campus classes: Weekend classes will meet, regardless of Friday/Monday holidays. Exception: Classes do not meet on the Saturday following Spring Recess.

For off-campus classes: All off-campus classes meet on scheduled dates and times except for Federal holidays. State holidays are not observed by the Off-Campus Program.

You are required to submit a schedule of your class/office hours (on-line form available on the HCC Intranet) to the division secretary by the first day of class.

7. Any reference to pay in this letter does NOT apply to non-compensatory assignments. Courses with numbers ending in 99V (special studies or directed studies) and courses offered through the method of credit-by-examination are purely voluntary and are not compensated.

8. Enclosed is a Work Schedule Disclosure Form and personnel forms that must be completed and returned to your Dean’s secretary at the earliest possible date to place you on the payroll. The execution of these forms is not a contractual commitment on the part of Honolulu Community College, but merely expedites payroll processing.

9. Employment is contingent upon satisfying the employment eligibility verification requirement of the Immigration Reform and Control Act (IRCA) of 1986 (see INS I-9 form and complete within 1 business day on date of hire). Even if you have been employed previously, each appointment is considered a new appointment and therefore subject to the provisions of the IRCA of 1986.

10. New employee orientation: An on-campus orientation is held for new employees bi-annually in the Fall and Spring. A notice of the next orientation will be mailed under separate cover.
11. If you do not meet the minimum qualifications for the discipline you teach, you may be recommended on an exception basis. Exceptions are made only if there are no qualified lecturers available and are subject to approval by the Chancellor. Lecturers hired on an exception basis are considered as Acting Lecturers. Qualified lecturers have preference over acting lecturers.

**TEACHING OBLIGATIONS**

12. **COURSE SYLLABI:** Prepare course outlines/syllabi based on departmental objectives. They should state the official course descriptions from the College catalog, and include student learning outcomes and assessment methods. Official outlines are on file in Administration. Submit course syllabi to your department faculty liaison. Note: Any changes to the official catalog description require curriculum committee action and administrative approval. *For off-campus lecturers:* Provide a copy of the class syllabus for each class taught to the Off-Campus Program Coordinator.

13. **MyUH:** Class information is available on-line on the HCC Intranet at [http://honolulu.hawaii.edu/intranet](http://honolulu.hawaii.edu/intranet). Access to your class list is via MyUH portal. Request a UH username to access the portal on the MyUH portal website at [myuhportal.hawaii.edu](http://myuhportal.hawaii.edu) (tutorials are available on the HCC Intranet to assist you).

14. **OFFICE HOURS** (On-line form available on the HCC Intranet): For on-campus lecturers: This appointment will require a minimum of one office hour per course per week to be scheduled for individual student advisement in addition to meeting classes assigned to you. Office hours are to be distributed evenly through the course period at times convenient to students. Your teaching will be supervised by the Division Chair in coordination with the Dean. You will be required to fulfill the same course preparation obligations as full-time faculty members. *For off-campus lecturers:* You will meet the office-hour requirement by making yourself available to students before and after class at the teaching site.

15. The acquisition of desk copies of textbooks and other teaching materials is the responsibility of each lecturer. The Bookstore has desk copy order forms. Off-campus lecturers must pick up their desk copies at the main campus, or have them sent directly to their residence.

16. **FINAL GRADES:** Final grades need to be submitted electronically via the Banner Student Information System. If the deadline to submit grades is missed, you will need to complete and submit a change of grade form for each student. *For off-campus lecturers:* You are required to submit an attendance roster for each class along with the final grades.

17. **ATTENDANCE:** Report any absence to BOTH the Division Chair and the Division Secretary. (*Lecturers for the Off-Campus Program should report any absence to the Educational Specialist at your teaching site and to the Division Secretary.*) Arrange for your students to be notified of your absence. Although lecturers do not earn sick leave, TDI (temporary disability insurance) applies under some circumstances. If you become ill, check with the Human Resources Office to determine whether or not you are eligible for TDI. Your pay will be reduced on a prorata basis for any missed classes. Lecturers do not earn vacation or sick leave. For any absence, complete Form 62 available on the HCC Intranet.

18. You are not authorized to cancel or reschedule classes. Discuss any exceptional needs with the Division Chair (or Off-Campus Program Coordinator). The Dean may authorize exceptions to the general rule if warranted. You are also not authorized to arrange for a substitute during any absence. The Dean may authorize and hire a substitute if appropriate.

19. Be aware that it is unlawful to commit the College to any purchase without prior authorization. Penalties apply for purchases that do not comply with the Hawaii Public Procurement Code and UH/HCC purchasing rules.

**LECTURER COMPENSATION, PAYROLL, MAIL BOXES, E-ACCOUNT, KEYS, PARKING, COLLECTIVE BARGAINING**

20. **LECTURER COMPENSATION:** Your appointment as a lecturer will be processed for payroll action once approved. Your total remuneration for the semester/term will be adjusted if your assignment and/or step placement is changed.
Day School: Pay will be prorated over the 4-1/2 month period as follows:
- Fall Semester: September 1 through January 15
- Spring Semester: January 16 through May 31

Pay dates for all lecturers fall on the 5th and 20th of the month. Your first pay date is dependent upon receipt of all approved employment documents by the Human Resources Office.

Off-Campus Program: Your pay will be prorated over the term.

Your lecture appointment is good only for semester at a time and is not intended to be a commitment for future appointments.

Your rate is based on your approved step placement. If you are a new lecturer, your salary placement is determined by your Initial Placement Form and documentation with your lecturer application. If your initial placement form has not yet been approved, your appointment will be processed at Step A. If a step placement change is approved during a term, your rate will be adjusted for the following semester. The deadline to submit a Lecturer Step Placement Update Form is March 15 for the Fall semester and October 15 for the Spring semester. The only exception is in the case of a new, returning and continuing lecturers who is given notice of teaching assignments after the March 15 and October 15 deadlines. In these cases, lecturers may submit the step placement form no more than 10 days after the receipt of notice of the teaching assignment.

If your step placement is A or B, complete and submit a Lecturer Step Placement Update Form (available on the HCC Intranet or from your Division Secretary) to the Vice Chancellor of Academic Affairs Secretary for a review of your creditable teaching experience or to request a review for credit for an advanced degree. IMPORTANT: Deadlines for submission are March 15 for Fall semester update and by October 15 for Spring semester update. Step Placement Update Forms submitted after the deadlines will be reviewed for the following semester. If you have already been credited with 25 credits of outside teaching experience, do not submit any additional requests for credit for outside teaching experience. Likewise, if you have already been credited with 25 credits for an advanced degree, do not submit another advanced degree request. Step C lecturers (150 credits) have already achieved the maximum pay rate. Therefore, no updates are required. Credits being taught at the time of application will be counted toward the application filed by the respective step advancement deadline. Credits taught in the Summer will be applied to Spring semester advancement.

To receive credits, all requests must be attached with appropriate documentations [Personnel Notification Forms (PNF), casual, overload forms, official transcripts and/or approved memo by a college/university dean].

Under this mandatory plan, the PTS plan replaces your contribution to social security tax (medicare tax contribution is still required). All employees who are enrolled in this plan should be aware that participation would directly affect the maximum amount they are allowed to defer if they are also participating in the UH 403(b) Tax-Deferred Annuity Plan. If you have any questions regarding deferred compensation, contact the Human Resources Office at #845-9144.

24. MAILBOX & COMPUTER ACCOUNT: You will receive college communications through your mailbox (mailboxes are located in Building 6 near the switchboard). Contact your Division Secretary if you want an on-campus mailbox.

25. KEYS: To request keys to offices or labs, submit a pink-colored Request for Keys form (on-line form available on the HCC Intranet, to be printed on pink paper) through the Dean or your Division Chair. Allow 3-4 days for key orders to be processed. Lecturers must return keys to Sharon Isa (Business Office) at the end of the duty period for each appointment. The administrator in charge of your program or discipline must approve exceptions. A fine of $10 per key will be assessed for keys not returned by the due date.

26. PARKING: To park on campus during the academic year, you must purchase a parking sticker at the Cashier's counter in the Administration Building before the first day of classes. Parking violations are subject to fines.

27. COLLECTIVE BARGAINING: Lecturers who teach 8 or more credits for a period longer than 89 days in a semester are urged to familiarize themselves with the terms and conditions of the most current Agreement between the University of Hawaii Professional Assembly (UHPA) and the University of Hawaii (see website: UH OHR Home Page, collective bargaining, Unit 07).

29. The University of Hawai‘i is committed to an educational environment defined by civility and mutual respect. To this end, we strive to maintain a campus climate where sexual harassment and discriminatory harassment are not tolerated. Please complete the following mandatory on-line programs focusing on Title IX, VAWA and “hostile environment harassment” within one month of your start date if you have not yet completed the required training. Refresher trainings should be completed if it has been at least two years since your last date of completion. Print out the completion certificates at the end of each program, and submit it to the HR Office to be kept on file. The link to the programs can be found at: http://www.hawaii.edu/titleix/lawroom/employees

NOTE: Conditions contained herein may be modified by future Board of Regents policies, contractual agreements, or other College policies and procedures. The validity of the remaining portions will not be affected by such modifications. March 2017
