Please share with us your comments on how we can make this session better:

- It’s good the people were funny and helpful.
- More counselors on site. But the few here was awesome.
- Make slideshow a little more exciting and not so long.
- The cost of summer classes are ridiculous. We should start a petition or something for more government support. Seriously California is bankrupt and credits still only cost $15 per credit in summer.
- It’s good, just a lot of information for one day!
- Keep doing what u r doing!!!
- Thank you so much, this was a great help!
